Re: Permission to collect background
samples from City property

Dear Mr. Wentworth:

This is a follow-up to our telephone conversation on February 14, 2000 concerning the referenced matter.

In your letter to me dated February 14, 2000, you requested permission to access Druid Hill Park and possible Gynns Falls Park to collect two or three background soil samples.

As I mentioned in our conversation, you have permission to access the above mentioned parks to collect background soil samples. Please provide me with a copy of your report concerning this matter.

If I can be of any further assistance please let me know.

Sincerely,

Dawn S. Lettman
Assistant Solicitor
